

QUALITY POLICY STATEMENT

It is the policy of Blackburn Starling & Company Limited to maintain and continually improve the effectiveness of the quality management system in accordance with the requirements of BS EN ISO 9001.

In satisfying this requirement, we will ensure that the safety, reliability, fitness for use and performance aspects of our products and services are continually maintained whilst recognising the importance of meeting our customer and applicable statutory / regulatory requirements at all times.

Quality objectives are established and reviewed as part of the management review process. These provide a mechanism for monitoring and a basis for continual improvement.

Our Quality Manual outlines the procedures and work methods necessary for such compliance and is therefore mandatory on all Blackburn Starling & Company Limited employees.
